

Cricket Collection

Product Range

Luke Eyres has been supplying British cricket clubs with traditionally made cricket sweaters and slippers for the last century.

We hold an extensive library of designs and logos for most of the leading cricket teams and have equipped both national and international sides.

Our current product range also includes cricket caps and ties.

Every item of your professional cricket kit can be personalised with high quality embroidery, for example, your club's name or logo.

Minimum order quantities

Cricket sweaters – no minimum order quantities

Cricket caps – 8 per style

Woven ties – 36 per style

Please note that a surcharge will apply for smaller orders.

Delivery

Order delivery 6-8 weeks from receipt or approval of the required design.
